

PRODUCT DATA SHEET

PRODUCT	: STABAIID [®] CF	
VERSION No.	: 1.0	DATE: 01/04/2018

Introduction

STABAIID CF is a specially designed product consisting of specialized bio-chemicals which act as a stabilizer of foam in flavoured milk based drinks. It improved the initial foam height and retains the stability of foam for longer period of time. It contains carrageenan and modified starch as its active ingredients.

Benefits

- Improved foam height by 300% in milk based drinks
- Retains foam height for 10 minutes
- Improvement in visual appeal of milk based drinks
- No adverse effect on sensory characteristics of milk based drinks

Application Conditions

To be used under heating conditions of 85°C. Recommended dosage is 0.5-1.0%

Storage Conditions and Packaging:

- STABAIID[®] CF MUST BE STORED at temp. 25±5°C and 35±5% humid conditions
- It is best used before 6 months from the date of manufacturing.
- It is available in 25kg HDPE bags.

All our products, conform to the standard FSSR, 2011 (The food safety and standard regulation, 2011 as amended by regulations, 2016)
